Report of Community Lunch Govt. Degree College Nirmand (Kullu) HP.-172023

1. Introduction and Objective

The Govt. Degree College, Nirmand, successfully organized its Community Lunch on 12th March 2025, marking a significant step in reinforcing the principles of social equity, communal harmony, and shared responsibility among its students, faculty, and administrative staff. The initiative, a key feature of the college's commitment to holistic development, aims to break down perceived social, economic, and regional barriers by encouraging collective preparation and sharing of a simple meal. The primary objectives of the Community Lunch were manifold: to foster a spirit of humility and equality; to instill the value of service (Seva) among students; to promote the college's commitment to a 'Zero-Waste' environment; and to strengthen the internal bond among all college stakeholders in the picturesque but often socio-economically diverse context of Nirmand.

2. Organization and Participation

The event saw enthusiastic and unanimous participation. An organizing committee comprising volunteers from the National Service Scheme (NSS), the National Cadet Corps (NCC), and the Eco Club was constituted to oversee logistics, resource mobilization, and environmental management. A core feature of the Community Lunch is the collective contribution of ingredients by faculty and students, emphasizing community ownership rather than external catering.

On the morning of the event, 160 students, alongside 14 faculty and staff members contributed their time and effort. Students were actively engaged in every stage, from preparing the serving area and washing utensils to cooking a simple, traditional meal, supervised by experienced staff. This hands-on involvement served as a practical lesson in teamwork and dignity of labour, promoting a sense of shared purpose that transcends academic roles.

3. Event Execution and Meal Details

The lunch commenced at 1:30 PM, following the successful completion of the cooking and setup phase. The atmosphere was one of palpable warmth and camaraderie. All participants, regardless of their position, sat together on traditional mats laid out in the college courtyard, fostering a visual demonstration of equality.

The menu was deliberately kept simple, focusing on nutritious, locally sourced components, reflecting the culinary heritage of Himachal Pradesh. Dishes included Dal Chawal (lentils and rice) and Khatta (a traditional tangy curry). Crucially, the event was executed with a strong focus on sustainability.

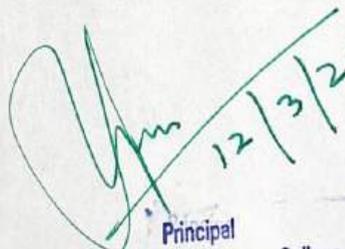

4. Impact and Outcomes

The Community Lunch proved to be an overwhelming success, achieving its goals of social integration and community building. Feedback gathered immediately after the event highlighted the positive psychological impact on the student body. Several students noted that the act of eating the same simple food, side-by-side with their professors and the college Principal, significantly demystified the traditional power hierarchy, creating a more approachable and inclusive campus environment.

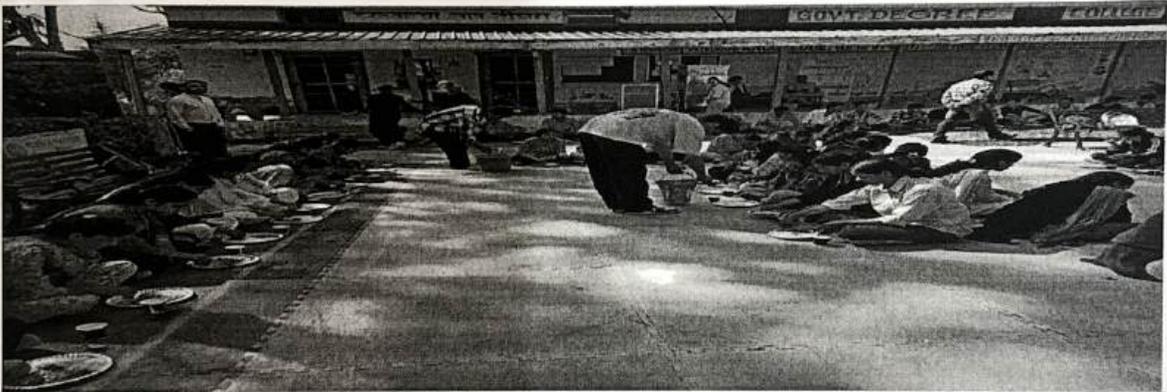

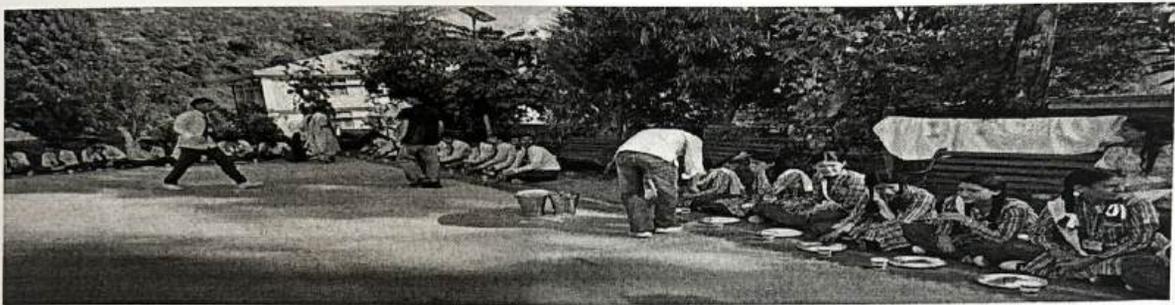

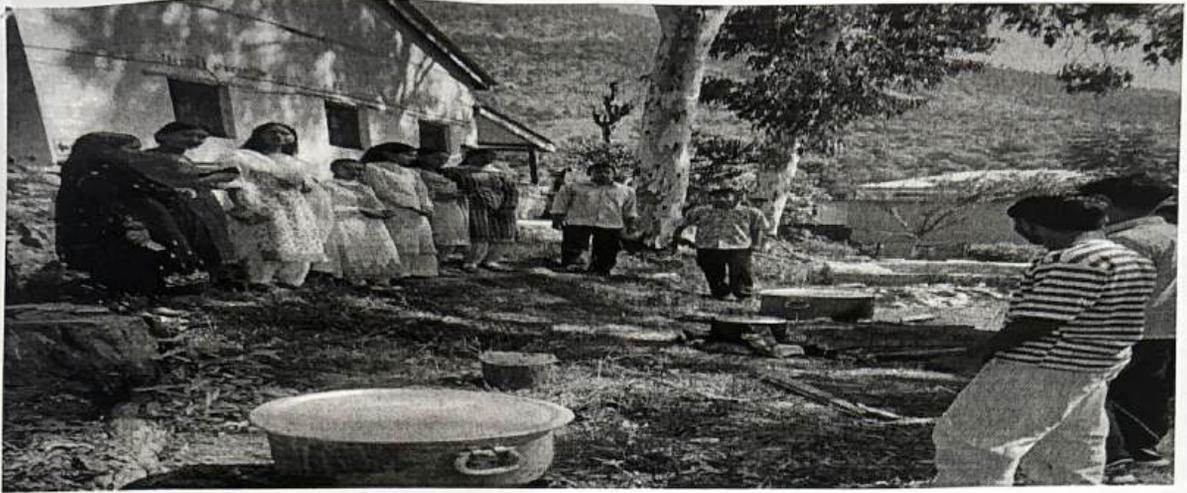

Furthermore, the collective effort required to clean and manage the event provided an invaluable lesson in civic responsibility and collaboration. The seamless execution of the logistics, entirely managed internally by the college community, served as a powerful testament to the organizational capability and spirit of service inherent in GDC Nirmand's community.

Here are some glimpses of a community lunch:

निरमंड में विद्यार्थियों ने रोपे देवदार के 120 पौधे

पौधरोपण अभियान के दौरान निरमंड महाविद्यालय के विद्यार्थी। *स्वात*

सवाद न्यूज एजेंसी

रामपुर बुशहरा। राजकीय वरिष्ठ महाविद्यालय निरमंड और राजकीय वरिष्ठ माध्यमिक पाठशाला निरमंड में बुधवार को पौधरोपण अभियान चलाया।

इस दौरान एनसीसी के कैडेट्स ने महाविद्यालय निरमंड के आसपास 120 देवदार के पौधे रोपे। कार्यक्रम का आयोजन स्कूल प्रधानाचार्य जगजीवन पोल एनसीसी अधिकारी कैप्टन सदीप

ठाकुर और लेफ्टिनेंट रवि ठाकुर ने किया। उन्होंने विद्यार्थियों को पत्रावरण संरक्षण और पौधरोपण करने के बारे में जागरूक किया।

सभी कैडेट्स को कचरा खुले में न फेंकने के बजाय कूड़ेदान का उपयोग करने का आह्वान किया। इस दौरान एनसीसी कैडेट्स में प्रवीण सुनिधि सुरेंद्र, निरमा, जीवन, पवन, रोहित, सुजल, लक्ष्मी, प्रिया और सान्या सहित अन्य कैडेट्स उपस्थित रहे।

**Report on Human Chain Formed by Students Under Swachhata Hi Seva Campaign-2024:
An Activity By Red Ribbon Club and Eco Club of Govt. Degree College, Nirmand (Kullu)**

Date: 16th September 2024
Event: Human Chain for Commitment to Cleanliness and Fight Against the Use of Single Use Plastic Under Swachhata Hi Seva Campaign-2024
Organized by: Red Ribbon Club and Eco Club of Govt. Degree College Nirmand
Venue: Govt. College, Nirmand, District Kullu

On 16th September 2024, the students under the Red Ribbon Club and the Eco Club of Govt. Degree College Nirmand, District Kullu, formed a human chain as a part of the Swachhata hi Seva Campaign-2024. The event aimed to raise awareness about importance of cleanliness and hazards of single use plastic. The human chain symbolized unity and collective responsibility towards protecting the environment and promoting sustainable practices. The primary aim of the human chain was to show commitment to cleanliness not only on college campus but also in our neighborhoods and villages. As a part of the fight against the use of Single Use Plastic, students were encouraged to use steel water bottles in the campus.

Event Highlights:

1. Formation of the Human Chain:

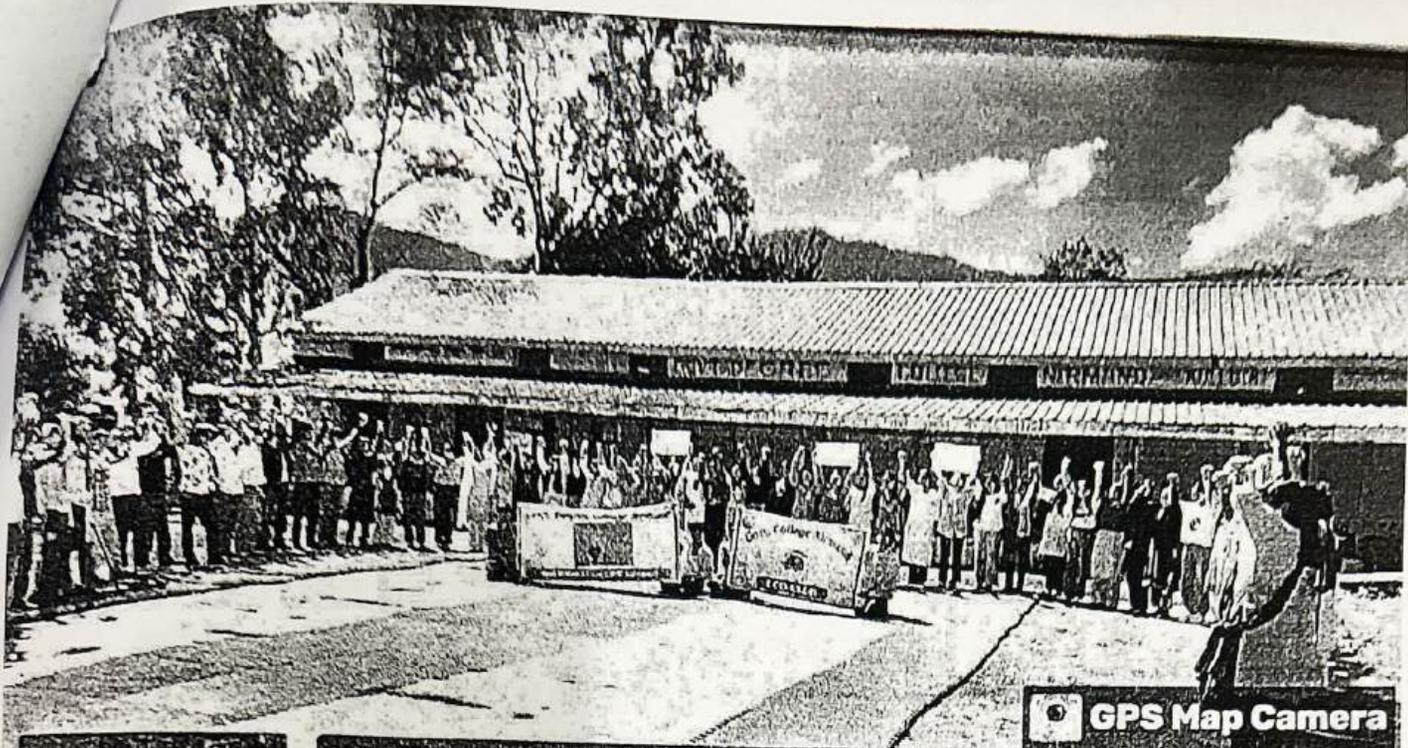

Students and faculty members formed a symbolic human chain across key areas of the campus emphasizing unity in the fight against the use of Single Use Plastic.

2. Awareness Lecture on the Hazards of Single Use Plastic by Dr Gaurav Sood (Convener, Eco Club) and Asst. Prof. Rajesh Kumar (Convener, Red Ribbon Club)

ECO-CLUB

Report on Poster Making Competition Organized on Ozone Day

Event: Poster Making Competition on Ozone Day
Date: September 16, 2024
Venue: Govt. Degree College, Nirmand, Kullu, H.P.

Introduction:

The Ozone Day Poster Making Competition was organized on September 16, 2024 by the Eco-Club of the college, to celebrate World Ozone Day. The event aimed to raise awareness among students about the importance of the ozone layer and the need to protect it from depletion. The theme for this year's competition was "Ozone for Life: 35 Years of Global Cooperation."

Purpose of the Event:

The competition was part of a larger initiative to educate students about the harmful effects of ozone layer depletion, the significance of global efforts to repair it, and how individual actions can contribute to environmental conservation. Students were encouraged to creatively express their understanding of ozone protection through creative and thoughtful posters.

Participants:

A total of 36 students participated in the event. The participants were given specific guidelines for poster size, materials, and a brief on the theme. They were allowed to use various types of colors such as crayons, sketch pens and water color.

Competition Highlights:

- **Opening Remarks:** The event began with a short presentation by Dr. Gaurav Sood on the importance of World Ozone Day. He spoke about the Montreal Protocol, the gradual recovery of the ozone layer, and how continued vigilance is necessary. This was followed by a brief explanation of the competition guidelines.
- **Poster Creation:** Participants had two hours to complete their posters. As students worked diligently, their creativity and understanding of the subject were apparent. Many posters depicted global environmental issues, such as the harmful effects of CFCs, rising temperatures, and wildlife protection. Some students took an optimistic approach, highlighting future of Earth as a green and healthy planet.
- **Judging Criteria:** The posters were judged based on the following criteria:
 1. Relevance to the theme
 2. Creativity and originality
 3. Presentation and artistic skills
 4. Message clarity

Principal
Govt. Degree College
Nirmand Distt. Kullu H.P.

- **Panel of Judges:** The panel of judges included **Dr. Priyanka Thakur, Dr Madan Thakur, Asst. Prof. Rajesh Kumar**, who evaluated the submissions and provided valuable feedback to the participants.

Declaration of Winners:

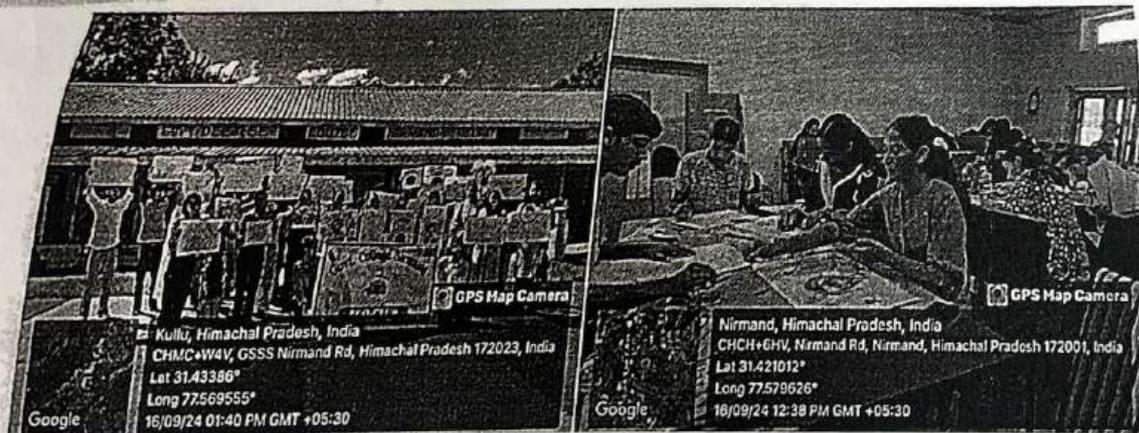

After the judging process, winners were announced. The first, second, and third place winners were:

- 1st place: **Laxmi (BA I), Ankita (BA III)**
- 2nd place: **Sunidhi Mehta (BA III), Pitambar (BA I)**
- 3rd place: **Bhumika (BA III), Snehlata (B.Com II)**

Conclusion:

The Ozone Day Poster Making Competition 2024 was a great success, with students showcasing their creativity and knowledge of environmental conservation. The event concluded with a pledge to continue efforts in raising awareness about protecting the ozone layer. Participants left with a deeper understanding of the crucial role the ozone layer plays in safeguarding life on Earth and the steps we can take to preserve it for future generations.
