Subject: Request for Adoption of Village under NSS Programme

Respected Sir/Madam,

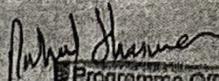

I hope this letter finds you in good health and high spirits. I am writing to you on behalf of the National Service Scheme (NSS) unit of GDC Nirmand. As you may be aware, the NSS is a youth-oriented programme that strives to promote community service, social responsibility, and nation-building by engaging students in various developmental activities for the betterment of society. In alignment with our objectives, we are pleased to inform you that we wish to adopt one village of Your panchayat under our NSS programme. Our main aim is to extend our support to the village community through various activities such as literacy programs, health and sanitation awareness campaigns, environmental initiatives, and skill development workshops.

We kindly request your guidance, cooperation and support in this initiative. The successful execution of this programme will require your guidance, as well as your assistance in identifying the key areas where the village would benefit from our engagement. The involvement of the Gram Panchayat will be crucial in ensuring that the needs and priorities of the village are effectively addressed.

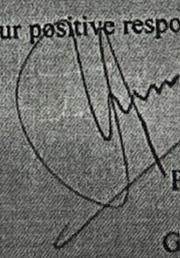

Our students, under the guidance of faculty members, will organize activities designed to uplift the socio-economic conditions of the community, promoting sustainable practices and enhancing local resources. We are keen to involve the villagers, particularly the youth, in these activities to foster a sense of responsibility and social awareness. We are confident that this collaboration will yield positive results and contribute significantly to the development of the Village. We kindly request a meeting at your convenience to discuss this further and formalize the adoption process.

Thank you for considering our proposal. We look forward to your positive response and support in making this initiative a success.

With warm regards,

Programme Officer
